

Strategic Plan

The Healthy Youth USA is pleased to develop a strategic plan beginning 2014. Our strategic plan looks forward to developing our foundation components to support 2 major program essentials: Healthy Youth and Healthy Families

Foundation Development

- Increase Board of Director & volunteer involvement
- Recruit and develop qualified staff to grow with organization, becoming effective advocates of our mission and loyal contributors to brand objectives.
 - Increase Community Visibility, Involvement and Support
- Goal to fund 100% programming through grants and community sponsorships
